YOURS

Yours to keep
site and domain stay in your
Squarespace account

01 WHERE WE STARTED

What we built it around.

01 **Max takes phone calls directly.**

Your words. Option 1 stands you at the side of the page, with three of your own customer reviews that each start with Max.

02 **Consultation and DEMOnstration.**

Your own capitals. Option 2 flies your four machines in formation, DJI, Talos, EAVision and XAG, and books a demo of any one.

03 **Drones crash!**

Your services line. Option 3 traces a flight down and back up past repair, parts, hands-on help and training, with Call Max under it.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

06 QUESTIONS

The usual questions.

01 Will moving hurt my Google ranking?

Nothing moves. You stay on Squarespace, at the same addresses, with the same pages and business details, so everything Google already knows keeps working. The new design is fast and built for phones first, which Google rewards. We don't promise rankings.

02 Is it secure?

Yes. Your site stays on Squarespace, which looks after the hosting, security updates and checkout. The new design is tested on a preview of your real site before anything goes live.

03 Who owns it?

You do. The site and the domain stay in your Squarespace account, in your name. Nothing of ours renews unless you ask.

04 How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from \$250 a month, cancel anytime.

05 When do I pay?

Half (\$1,250) when you say go, the rest (\$1,250) when the site is live. You've seen the homepage before paying anything.

06 What if the brands I carry change?

Then the site changes with it. Product pages are built to swap.
